To Whom It May Concern

This is to confirm that we have used Paramount Caterers on a number of occasions to provide catering services in our office for various functions.

Paramount Caterers are professional, punctual, have good food, and will definitely not let you down. In the number of occasions that we used their service, they got to the venue well before time. You do not have to follow them up to deliver. I have no hesitation to recommend them to any other customer.

Yours faithfully,
